

## Fall 2021 Clinics

To Parents of Prospective Swimmers:

Just a quick explanation of our Fall 2021 plans. We're running smaller groups (6 swimmers per group) to be conscious of Covid-19 concerns. To better accommodate more swimmers, we've shortened each group to 45 min per day. Thus we can run 5 groups, instead of our typical 3.

We are starting off with a Sep 13 - Oct 29 session, to see how the CDC, Sac County, and California adjust restrictions during the upcoming winter months.

Our intent is to then offer a Nov 1 - Dec 31 session, and a Jan session. If things are going well, we're hoping to expand the group sizes. Priority will be given to swimmers enrolled in each prior session. If conditions stay the same, we'll continue with groups of 6.

If restrictions tighten, we'll be ok with 6 swimmers in 2 lanes. If it gets real bad, we might not be able to offer session 2 or 3.

We feel this is the best solution for us, today.
